The Board Charter, Board Committee Charters and the Constitution are available on [our website](#).

The Board has also delegated to the CEO, and through the CEO to other managers, responsibility for the day-to-day management of the business. The scope of, and limitations to, management delegated authority is clearly documented. These delegations balance effective oversight with appropriate empowerment and accountability of management.

Director Induction and Professional Development

All new Directors participate in an induction program to familiarise themselves with our business and strategy, culture and values and any current issues before the Board. The induction program includes meetings with the Chairman and the CEO. New Directors receive appropriate background documentation, coordinated by the Company Secretary and by the CEO on the nature of the Company's business and its key drivers.

The Board encourages Directors to undertake continuing education and training to develop and maintain the skills and knowledge needed to perform their role as Directors effectively. The Board, therefore, supports Directors being members of the Australian Institute of Company Directors in order to keep abreast of current governance issues and participate in webinars or online courses provided by the Institute.

Access to Information

All Directors have complete access to senior management and may seek information from the Company's External and Internal Auditors, provided that all such enquiries are first advised to the Chairman and the CEO.

Board and Director Performance Assessment

The Board is committed to implementing a system for review of its own performance and that of its Committees annually. Under this system, the Chairman will also hold individual discussions with each Director to discuss their performance on an as needed basis. The Chairman is responsible for evaluating the performance of the CEO, who in turn evaluates the performance of all other Senior Executives. The evaluations are based on Board-approved criteria, including the Company's business performance, achievement of long-term strategic objectives and the attainment of individual performance objectives.

Company Secretary

Our Company Secretary is Ms Shannon Doecke, who was appointed to the role in November 2016. Under the Board Charter, the Company Secretary is accountable to, and reports directly to, the Board (through the

Chairman where appropriate) on all governance matters. All Directors have unfettered access to the Company Secretary. Under the Board Charter, the Directors appoint the Company Secretary.
