Founder, Cooking Skill Exchange

June Zhu, the founder of Cooking Skill Exchange (CSE), learnt various forms of cooking while interacting with famous chefs from all around the world, and different styles of cooking, including family cuisines and restaurant cuisines.

She loves cooking, but she doesn't like eating alone, so that encouraged her to create an online foodie society for people to network and share opinions about foods.

Before devoting herself to cooking, she had been working in the field of education for 7 years.
