We make managing your mail as easy as 1, 2, 3

**Step 1** - Sign up and setup an account online. We will send an email providing you with the instructions on what you need to do.

**Step 2** - When we receive your mail we will scan the envelope send an email notifying you of the new mail.

**Step 3** - Sit back, relax and get on with enjoying life. When we receive your mail, so will you. No more waiting.

## Peace of Mind

We understand that your mail is very important to you and we take that seriously. With our state of the art systems you are able to access your mail 24 hours a day, 7 days a week, wherever you are in the world. Our client portal uses 256-bit encryption to protect your information.
