About Pitch Bootcamp

**PITCH
BOOTCAMP**

Learn. Discover. Pitch.

Pitch Bootcamp is a career accelerator that brings together talented young graduates with decision makers from the world's most attractive companies. It's a full day event where we help youngsters think of their career as a business and later pitch themselves to C levels from Fortune 500 and amazing startups. It has taken place in 22 countries with over 20,000 young graduates attending and generating over 8,000 jobs.

About Study Melbourne Hub Shanghai

The Study Melbourne Hub Shanghai is located at the Cool Docks, a riverside-complex in the South Bund region of Shanghai, in a converted warehouse with study areas, meeting rooms and free Wi-Fi. You can experience Melbourne's great love of coffee at our free coffee cart.

Students enrolled at Victorian institutions can bring their own devices and connect to the Hub's Wi-Fi network to access online learning from Victorian education providers.

You can register for free events on career development, entrepreneurship, leadership and global connections.

The Hub is also available for Victorian education and service providers to organise and host activities and events to support students in China.

About Global Victoria

Victoria occupies three percent of Australia's land space but generates almost 25 percent of the nation's economic activity identifying Victoria as Australia's premier economy. Victoria is the nation's technological, retail, health, education, cultural, sporting and major events, capital of Australia.

The Victorian Government is committed to attracting international investment and growing overseas trade. With a government that supports innovation and growth, Victoria is one of the easiest and most efficient places in the world to set up a business.

Global Victoria supports Victorian businesses to go global for the economic and social prosperity of Victoria. We do this by building the export capability of Victorian businesses, connecting Victorians to global trade opportunities through our international network of 22 offices, promoting our world class industry capabilities and advocating for the best policy settings for Victoria to be globally competitive.

Rui Ribeiro
Director of IBM Business Partners

"There is absolutely no other experience in Portugal like Pitch Bootcamp when it comes to preparing graduates for the job market."

Luís Leon
Partner at Deloitte Portugal

"I've used Pitch Bootcamp to recruit recent graduates; it's very practical once you can find students from all spectrums of studies – management, IT, marketing, etc. – and meet them all at the same time."

Frederico Costa
Industry Head at Google

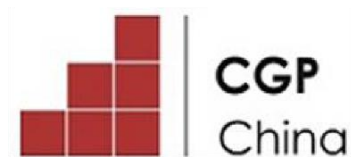

"I've been to Pitch Bootcamp more than 5 times and it is always an amazing experience. I wish it existed when I was a student at the university."
